DEPARTMENT PERSONNEL ORDER

No. 2016- 4560

SUBJECT: Assignment of DOH Officials and Personnel in the Operation Center for the 2016 Aksyon Paputok Injury Reduction (APIR)

In line with the continuing effort of the Department of Health to reduce and properly mitigate incidence rate of firecrackers and fireworks related injuries during the Yuletide Season, the DOH embarks on the advocacy campaign entitled "Aksyon Paputok Injury Reduction (APIR)" which promotes the prevention and control of firecrackers and fireworks related injuries.

Corollary to this, the DOH shall establish an Operational Center at the Knowledge Management and Information Technology Service (KMITS) as part of the regular fireworks injury surveillance activities being undertaken by the Department. The Disease Prevention and Control Bureau (DPCB) shall spearhead this surveillance and ensure adherence and smooth implementation of the fireworks injury surveillance activities nationwide. Health Promotion and Communication Service (HPCS) and Epidemiology Bureau (EB), and KMITS shall provide technical assistance to DPCB.

The surveillance period for fireworks related injuries, stray bullet and firecracker ingestion victims shall commence at 6:00am, December 21, 2016 and will end at 5:59am of January 6, 2017. In view of the above, the following DOH officials and personnel are tasked to manage and man the APIR for Operational Center for the duration of the surveillance period.
